Reviews

“Case Files Obstetrics and Gynecology, Fifth Edition is an excellent resource for students, residents, and practicing clinicians. The cases are well-written and informative, and the illustrations are high-quality. I highly recommend this book to anyone who wants to stay up-to-date on the latest clinical developments in obstetrics and gynecology.” — **Doody’s Review**

Service

“This book is a valuable resource for medical students and residents. It provides a concise and well-organized review of the most commonly seen obstetrics and gynecology presentations. The cases are well-written and include high-quality illustrations. I highly recommend this book to anyone who is preparing for the USMLE Step 2 CK or the ABOG certification exam.” — **Amazon.com reviewer**
