

Collins Big Cat Phonics For Letters And Sounds Age Football Skills

Collins Big Cat Phonics for Letters and Sounds is a phonics program that teaches children the skills they need to read and write. The program is based on the latest research in phonics and is designed to be engaging and effective. Collins Big Cat Phonics for Letters and Sounds is used by schools across the UK and has been shown to help children make significant progress in their reading and writing skills.

What is Collins Big Cat Phonics for Letters and Sounds?

Collins Big Cat Phonics for Letters and Sounds is a systematic and progressive phonics program that teaches children the skills they need to read and write. The program is divided into six phases, each of which focuses on a different set of phonics skills. In Phase 1, children learn to identify and manipulate sounds in words. In Phase 2, they learn to blend sounds together to read words. In Phase 3, they learn to decode words with more complex letter combinations. In Phase 4, they learn to read words with irregular spellings. In Phase 5, they learn to read and write sentences. In Phase 6, they learn to read and write longer texts.
