Rifle marksmanship is a fundamental skill for any soldier. The ability to accurately engage targets at various distances is essential for success in combat. Field Manual FM 22 Rifle Marksmanship M16 and M4 Weapons is the U.S. Army's official guide to marksmanship training for the M16 and M4 rifles. This manual provides a comprehensive overview of everything from basic marksmanship principles to advanced techniques for long-range shooting.

Basic Marksmanship Principles

The first section of Field Manual FM 22 covers the basic principles of marksmanship. This includes topics such as:

- Proper shooting position
- Breath control
- Trigger squeeze
- Sight alignment
- Target acquisition

These principles are essential for any shooter who wants to improve their accuracy. Field Manual FM 22 provides detailed instructions on how to master each of these techniques.

Marksmanship Training

The next section of Field Manual FM 22 covers marksmanship training. This includes:

- Marksmanship drills
- Range estimation
- Target identification
- Windage and elevation adjustments
- Night shooting

These topics are essential for any soldier who wants to become a proficient marksman. Field Manual FM 22 provides detailed instructions on how to conduct each of these training exercises.

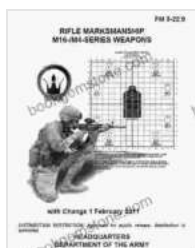

Long-Range Shooting

The final section of Field Manual FM 22 covers long-range shooting. This includes topics such as:

- External ballistics
- Trajectory prediction
- Windage and elevation adjustments for long-range shooting
- Equipment for long-range shooting

These topics are essential for any soldier who wants to be able to engage targets at long distances. Field Manual FM 22 provides detailed instructions on how to master each of these techniques.

Field Manual FM 22 Rifle Marksmanship M16 and M4 Weapons is a comprehensive guide to precision shooting for the M16 and M4 rifles. This manual provides everything from basic marksmanship principles to advanced techniques for long-range shooting. It is an essential resource for any soldier who wants to improve their marksmanship skills.
