

Residency Interview Handbook: A Comprehensive Guide to Success in the Medical Residency Interview Process

The residency interview is one of the most important steps in the process of becoming a doctor. It is your opportunity to meet with the faculty and staff of the residency program and to show them why you are the best candidate for the position. The Residency Interview Handbook is a comprehensive guide to help you succeed in the residency interview process.

Residency Interview Handbook by Bruce Boudreau

What's Inside the Residency Interview Handbook?

The Residency Interview Handbook covers everything you need to know about the residency interview process, including:

- How to prepare for the interview
- What to expect during the interview
- How to answer the most common interview questions

- How to follow up after the interview

The handbook also includes a sample interview schedule and a list of resources for further information.

Who Should Use the Residency Interview Handbook?

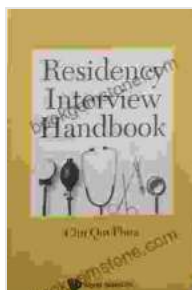

The Residency Interview Handbook is essential reading for any medical student who is preparing for the residency interview process. It is also a valuable resource for residency program directors and faculty members who want to learn more about the interview process.

How to Get the Residency Interview Handbook

The Residency Interview Handbook is available for purchase on Amazon.com. You can also download a free sample chapter of the handbook on the author's website.
