When a terrorist organization known as the Red Dawn steals a nuclear weapon, Donovan is called back into action. He must race against time to stop them from launching an attack that could kill millions.

But the Red Dawn is not just any terrorist organization. They are a group of highly trained and ruthless operatives who will stop at nothing to achieve their goals. And they have a deadly secret weapon: a nuclear bomb that is already armed and ready to detonate.

Donovan must use all of his skills and experience to stop the Red Dawn and save the world from nuclear annihilation. But time is running out, and the clock is ticking down to midnight.
